CUSTOMIZED FOR YOUR PEOPLE, SPACE AND DEMAND

ONE PARTNER. TWO WAYS TO SERVE.

Choose the format that fits your traffic, space and customer experience.

FULLY MANAGED

01 / MICROMART TECHNOLOGY

AI SMART STORE

Grab. Go. Get back to business.

A premium, open-door shopping experience powered by AI visual sensors and designed for a wider product assortment.

- ✓ Fast grab-and-go checkout with no item-by-item scanning
- ✓ Snacks, drinks, fresh meals, frozen items and essentials in one store
- ✓ AI-powered recognition tracks products taken and returned
- ✓ Ambient, refrigerated and frozen units sized to fit your space

BEST FOR

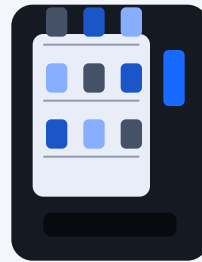

High-traffic offices, multifamily amenities, hotels, healthcare and modern shared spaces.

02 / CLASSIC EQUIPMENT

TRADITIONAL VENDING

Reliable convenience. Compact footprint.

A proven snack-and-beverage solution that delivers dependable 24/7 access with minimal space requirements.

- ✓ Snack, beverage and combination machine options
- ✓ Card and mobile payment configurations
- ✓ Secure, controlled product dispensing
- ✓ A practical fit for breakrooms, shops and waiting areas

BEST FOR

Offices, warehouses, dealerships, service centers, employee areas and customer lounges.

03

WE HANDLE THE REST

Your people get the convenience. Your team does not inherit another operational task.

- ✓ Complimentary site evaluation
- ✓ Professional delivery and setup
- ✓ Demand-based restocking
- ✓ Real-time inventory monitoring
- ✓ Routine cleaning and maintenance
- ✓ Rapid response for technical issues
- ✓ Product rotation and optimization
